

# INTERIOR DESIGN & DECORTION

Residential • Commercial • Corporate • Retail

## About Our Interior Design & Decoration

AVERIOR delivers modern, functional, and aesthetically refined interior design solutions tailored to each client's lifestyle and brand identity. Our expert architects, interior designers, and craftsmen work together to create interiors that are elegant, efficient, and built with long-lasting materials.

We provide **complete design, decoration, material supply, and turnkey interior execution** —from concept to handover.

## Our Interior Design & Decoration Services

### 1. Residential Interior Design

Beautiful, functional, and personalized interiors for homes.

## Why Choose Our Interior Design?

- Experienced architects & interior designers
- Complete design + build package
- Modern, unique & functional concepts
- High-quality materials & finishing
- 3D visualization before execution
- Skilled & trained craftsmanship
- Transparent costing
- On-time project delivery
- After-service maintenance support

## Interior Design & Work Process

- **Step 1 — Client Consultation**  
Understanding your space, requirements & style.
- **Step 2 — Concept & Layout**  
Space planning with 2D layout.
- **Step 3 — 3D Design**  
Realistic visualization of the complete interior.
- **Step 4 — Material Finalization**  
Selection of finishes, colors & fixtures.
- **Step 5 — Execution & Installation**  
Full interior construction by our expert team.
- **Step 6 — Handover & Support**  
Complete setup and long-term maintenance support.
